Mounieswar Raju

mounieswaraju@gmail.com | +91 6304176270 | Tirupathi Naidu Palli

CAREER OBJECTIVE

I excel in Python and possess a keen ability to solve complex problems through creative solutions, significantly streamlining processes. My proactive approach and dedication to continuous learning have prepared me to contribute effectively to any team.

EDUCATION

B.Tech, Ai&MI   2023 - 2024
Mohan Bbau University

CGPA: 8.00/10

B.Tech, Ai&MI   2022 - 2023
Mohan Babu University

CGPA: 7.88/10

Senior Secondary (XII), Andhra Pradash State Board Of Intermediate Education   2022
Science

Narayana Concept School, Rangareddy

Percentage: 56.00%

Secondary (X), Boars Of Secondary Education   2020
Oxford School

CGPA: 10.00/10

TRAININGS / CERTIFICATIONS

Machine Learning
May 2024

Internshala Trainings, Virtual

Successfully completed a 6 weeks online certified training on Machine Learning. The training consisted of Introduction to Machine Learning, Data, Introduction to Python, Data Exploration and Pre-processing, Linear Regression, Introduction to Dimensionality Reduction, Logistic Regression, Decision Tree, Ensemble Models, Clustering (Unsupervised Learning), and Machine Learning with AI modules. I scored 94% in the final assessment and was a top performer in the training.

Computer Organisation And Architecture
Jan 2024 - Mar 2024

Coursera, Virtual

By this we can learn the architecture of a system and nice of this course

Hardware And Operating System Essentials
Jan 2024 - Mar 2024

Coursera, Virtual

This is an interesting course about the hardware and OS of the computer I've gained some knowledge on this..

PORTFOLIO

[GitHub link ↗](#)

PROJECTS

AI POWERED MUSIC COMPOSITION
Feb 2024 - Present

Still working on this . And this is mainly to create the original song through the upload data and tuning and training the data set and using some algorithms

SKILLS

- English Proficiency (Spoken)
- Japanese Proficiency (Spoken)

EXTRA CURRICULAR ACTIVITIES

- Computer skills
  Machine Learning Algorithm
  Deep Learning
  Neural networking basic
  coding languages :
  Python
  C
  Java
  HTML
  CSS
  Prompt Engineering

ADDITIONAL DETAILS

- IBM ICE DAY certifications with 2nd and 3rd prices And done lot of certificate courses in Coursera platform and gain the information on the precise courses and gone through multiple AI Summit held in offline and also Participate the offline events.
- I attended a AI cloud summit in Visakhapatnam on February 10th 2024. and And I met a lot of people. who can encourage the startup companies and talk to specific people who. supported me with my ideas on machine learning and with deep neural networks.
- At my graduation, I conducted hackathon call. code was 2K24 organised with my team and total participants of 356 and we all gave them the participation certificates and winners with winners certificates And we collabe with Aiswe technologies.
